Carseland Notes

The U.F.A. held a meeting in the school house last Saturday which was well attended. A large amount of business was gotten through with. The report of the district committee was given, showing a net receipt of \$272.40, a very good showing. Orders for coal, posts and farm implements were taken. A motion was passed which makes it impossible for anyone to participate in any supplies unless they have paid their dues for the current year. The membership for the first three months of the year shows an increase of four over the corresponding period of last year.

Mrs. T. H. Kruse was spending a few days in Calgary last week. Mr. C. O. Childers is back with us again, after a sojourn of some weeks in the States. We welcome the return of Mr. and Mrs. Christensen and family to the community. They always come back.

There are a lot of people around Carseland very much interested in the South American prospect. Much of it is, to doubt, idle talk, but when it is all it is the desire of every one to get out of the hole of debt, and to go to a new start.

Bill Bonquist is driving a new Chevrolet these days. He says it runs nicely.

Mr. and Mrs. Charles Hansen entertained the following for dinner last Thursday night: Mr. and Mrs. Ben McKinnon, Mr. and Mrs. Mackie and family, Mr. and Mrs. G. B. Field and family, Mr. and Mrs. Mead Moore and family, and Mr. and Mrs. Homer Robinson.

C. A. Phillips spent the week-end in Calgary.

Ben Cook, Riley Bishop and Oscar Moorhouse attended the Fat Stock Show at Calgary last week.

Answer to last week's conundrum: "Because it is stirred with a 'hot' spoon."

We came across the following advertisement the other day: "I wish to sell my piano for 1 am going to Europe in a rosewood case with carved legs."

On Friday, April 11th, the ladies of Carseland Church are coming on an old time New England supper. The supper will commence at five o'clock in the church. During the evening Rev. J. Knight, M. A. of Calgary, will give a dramatic interpretation of Victor Hugo's famous character Jean Valjean.

The local correspondent would appreciate it if those knowing items of interest or news, would phone 2015 any time before Sunday morning each week. See if we can't make Carseland notes interesting to everybody in the community.

The play last Friday night was a success in every sense of the word. The brilliant appearance of the Carseland Dramatic Society proved conclusively that Carseland has talent quite on par with other parts of the country. A packed house listened for three hours in rapt attention, or in mute, deep sympathy at some pathetic part of the play; the next uproarious laughter at some irreverent funny scene. The cast of characters could not have been better. Mr. Jack play the part of Ross, Balch, had a double role to play; undoubtedly the most difficult part, and demonstrated her ability to carry the part exceptionally well. The quiet saving of the season, and the funny things he did in his courtship of Philippa were just surpassed by Yvonne Jensen in her part of the play.

It was very difficult, but finally succeeded in her effort to get a husband. Her courtship of the hired man, and Deuteronomy with his "roast" and "dare" was so unexpectedly funny that everyone was on their toes when ever they made their appearance. Finally Dale was in sympathy with the audience. However, there was a feeling of relief over her narrow escape from the foils of Crawley. The parts of the robber and the town and the villain were very difficult to play with no support from the audience. They had to depend on their own ability to carry their parts.

Craigantier News

Messrs Green and Elder were in attendance at Calgary Spring Show. Carl Sheets is improving in Calgary General Hospital.

J. A. Nordquist was a large party at the Naylor sale on the 28th. Capt. and Mrs. Grant gave a birthday party on the 28th. About thirty guests were present, and all went home well pleased with the good time they had. The music was excellent, being supplied by our teacher, Miss Lemon, and Mr. Henry Dandeworth. Miss Lemon is hard to beat on the piano, and is always willing to do her best for the pleasure of the community.

Quite a number of farmers in the district are considering going into dairying most extensively by purchasing pure-bred cows.

The wheat pool drive is going strong. Quite a number have signed up.

M. C. Hansen has bought a 20 acre fruit farm in Washington and settled down, very much at home here. Good for Chris.

CHEADLE NOTES

Grant Craig, S. Lounsbek, Orrie Edwards, Geo. Jackson, were Calgary visitors last week, attending the ball sale and horse show.

S. Lounsbek, Orrie Edwards, and Harry Groves purchased purchased Henshaws at the ball sale on Thursday last.

Mr. Budd, superintendent of National Elevators, and Mr. Ward, Superintendent of A. P. Elevators, were in town during the past week.

The young folks are giving a dance on Friday, April 4th, in the Ladies Club Hall, Cheadle.

Mr. and Mrs. Newmeyer have moved to the Pierson farm for the summer.

Taxes Are Down

12 Mill Reduction in Taxes

At a meeting held on Tuesday evening last, and attended by all the members, Strathmore Town Council set the rate for the current year as follows:

Town General, 6 mills,
Special Debenture, 5 mills,
School, 70 mills.

This is twelve mills less than last year. Strathmore is one of the few towns in the province still on a single tax basis, hence the seemingly high mill rate. In reality the taxes on the average residential 25 foot lot are about \$25 per annum. This includes school tax also. In farm lands in the school district the taxes are 8 mills on the dollar.

Fox is Deputy Mayor

Councillor R. Fox was elected Deputy Mayor for the term April to June. The estimates for the year were passed prior to the striking of the rate.

A report was given on the town property sale. The lots offered did not fetch the reserve bid set, and several of these will be disposed of privately.

Town Gets Clean Bill

Sanitary Inspector Williams, of the Provincial Government Health Dept., attended Tuesday night's meeting, and reported to the Council on his inspection. He was pleased with the general cleanliness of the town, and made several recommendations.

Arthur Haley, and bride, have returned from the old country, and are on the McDonald farm north of town.

Tony Devaux is on his farm across from the school.

Howard Lyons has moved to Ray Walter's farm, which he recently bought from J. A. McDonald.

Wheat Pool Local

A meeting of Strathmore Wheat Pool local was held on Saturday, but was not largely attended, probably owing to the auction sale close by on the same day.

Don Fraser and Steve Kork presented their resignations, as President and Secretary respectively, on the ground that it did not seem quite right to hold the offices concurrently with the U.F.A. and that Mr. Kork was outside the Strathmore shipping district.

Messrs T. Williamson and J. A. Conner were delegated to carry on in the meantime and make arrangements for another meeting.

The drive is meeting with marked success, and the great majority of the farmers in Strathmore district are now signed up with the Pool.

OBITUARY

Such regret was expressed at the untimely death early on Sunday morning, of Billy, seven-year-old son of Mr. and Mrs. E. M. Stoddley, Nightingale.

The deceased boy had been seriously ill for a month or more, and after a hard fight for life, died in Calgary General Hospital.

Funeral services were held at Chase's Undertaking Parlors on Tuesday afternoon, being conducted by Rev. A. H. Rowe, in presence of a large number of mourners. Interment took place in Strathmore Cemetery.

The boy who has passed away was of a cheerful and affectionate disposition, and much loved, and the parents and family have been the recipients of many sincere condolences on their sad bereavement.

Standard News

The resident ratepayers of Dana S. D. on Thursday voted on the by-law authorizing the trustees to borrow approximately \$20,000 for the purpose of erecting a new school at Stenhouse. Considerable interest was taken in the voting, the result of which indicated that those in favor of the new school were in the majority; the vote being, for the by-law, 12 against 18. Mr. J. P. Hansen was returning officer.

Messrs Wright, of the International Harvesting Co., Wark, of the Alberta Pacific Grain Co., and J. H. Budd, of the National Elevator Co., were visitors to town during the past week.

Mr. Meritt Wirt was a visitor in Calgary last week. He was accompanied by Mr. Rex Gregory.

A pleasant entertainment was held in South Valley school home on Friday evening, March 28th. A large crowd gathered to try out the new organ which was found to be all that could be desired.

Mrs. R. L. Francis visited Chinoak last week when she spent a few days with her daughter, Mrs. H. Penick. Miss Ruth Francis returned home with her.

Mr. Floyd Omburn was a passenger in Calgary last week. Floyd says "these climate aren't what we're craved up to."

The Amateur Standard Dramatic society will give an early Thursday morning by the way for Calgary, where they were to put on two plays in Page hall that evening. Mr. and Mrs. Hansen assisted below on acts with slight of hand tricks. The audience was not nearly as large as the society had hoped for, about thirty people were present. The ticket receipts barely covered the expenses, but there was a good deal of fun and excitement, which is the reason for other defences. Some of the players returned on Thursday's train, others on Saturday.

TURNER NEWS

Turner Man Wins at Calgary Horse Show.

Last week at Calgary Horse Show, R. A. Allen's stud won first in the two-year-old Clydesdale Stallion class, reserve open and reserve Canadian Champion, and in the yearling stallion class, third in the heavy class, pure-bred or grade, and second in agricultural fillos. It is a good to see a local man winning many prizes, and his horses are a big asset to the district.

Two of our residents, W. Allen and Arthur Haley, arrived back in the district last week, bringing with them brides from the Old Country. Congratulations.

Mr. and Mrs. J. S. Naught are rejoicing in the recent birth of a daughter.

CHEADLE UNION BIBLE SCHOOL ANNUAL MEETING

Following the Trail Blazers were singing on Friday evening at Cheadle, the Sabbath School was re-organized for the coming year, in an excellent meeting. After devotional exercises, Mr. Rowe was elected chairman, and Mr. W. F. McKenzie, secretary, and officers for the school were elected as follows:

Superintendent, Mr. R. H. Wade, Assistant Supt., Mr. John Kent; Secretaries, Mr. F. P. McKenzie, Bible Class (Adult) Mr. F. Sime; Girls' Class, Mrs. Kinton; "Grey Eagle Boys", Mr. Rowe; Primary, Mrs. O. G. Craig; Pianist, Mrs. W. F. McKenzie.

It was pointed out that Cheadle Sabbath School has been enjoying much success, and the new officers would urge all people of the district to take advantage of the fine opportunity offered in the Sunday gatherings each week at 2:30 o'clock.

After the business a splendid "cheadle" lunch was served by the ladies, assisted by the men, and the meeting broke up at half past ten.

CHILDREN COME TO CANADA ON MAGIC CARPET

DESPITE the fact that the Canadian Pacific is the greatest transportation system in the world, it finds it wise and profitable to give individual attention to any little children who may be consigned to its care.

The war broke up families and left orphans in all European countries. Many of these are now being transported to friends and relatives in the United States and Canada. In most cases there is little money to pay passage, and all that can be raised, so there is no question of their being able to get to their destinations in Canada or America.

These children, as a rule, are cheerful kiddies who soon work their way into the hearts of their fellow travellers who are generally eager to smooth the path before the children.

Among these shown some of the little folks who have recently arrived at the Atlantic coast. Keith Herz, an eleven-year-old boy, is the son of a Russian, who is now in the Russian-Australian border, to Milwaukee. The company's agent at Warsaw accom-

Is extended to you by the business and professional interests of Strathmore. Grasp it. Feel the strength of its Sincerity and Eagerness to satisfy ... learn of its actions in moulding this --- our town --- into a greater and more enterprising community.

It's that hand of Fellowship, of Welcome, of Ambition and Determination which has done so much in contributing to the welfare of our fair town.

Think back a few years. Note the many public and private improvements that have been made since then as a direct result of local enterprise.

What motive prompted them? Certainly, not selfishness. Those who contributed, did it for the purpose of adding to your convenience or pleasure. Yes, to create—GOOD FELLOWSHIP and GOOD WILL.

Of course, these improvements were not made without considerable sacrifice on the part of our business and professional interests. Quite often they came forward with financial aid when they could least afford it. And yet they did it with a generous heart and cheerful smile. That's the spirit that has made Strathmore so progressive.

All those interested ask in return is your **CO-OPERATION** in building an even **BRIGHTER FUTURE** for this community.

Overboard at one of Layzell's recent auction sales: "Only \$25 for this fine binder, gentlemen. That's giving it away." The owner: "Let her go, Layzell. I bought it from you eleven years ago for \$25."

Golfers Meet April 8

Strathmore Golf Club will hold their first meeting of the season on Tuesday, April 8th, at 8 p.m. in the Town Hall, when the lineup for 1924 will be discussed. Every golfer in the district should be present.

Proposals will probably be put forward for the permanent possession of the ground on which the course is at present located. Up till now the course has been used through the courtesy of the C.P.R., but if the game is to develop as it should, considerable improvements will have to be made, and this is not possible under the present circumstances.

Strathmore is fortunate in the possession of one of the best natural courses in the province. It is a good sporting course, but it has been used

less so far through a considerable portion of the best playing season on account of grass and brush. Properly fixed up, it would be available for the greater part of the year, and would be the means of attracting many to the town. Golf has come to stay in Western Canada, and Strathmore must keep her end up in this as well as other respects.

C.N.R. EARNINGS

For the week ending March 14, 1924, the gross earnings of the Canadian National Railway were \$4754,446, an increase of \$705,554.24, or 17 per cent, over the corresponding period of 1923. From the first of the year to date mentioned, the gross earnings of the system were \$45,699,847, an increase of \$2,256,224.18 over the same period of last year.

K.K.K.'s Organise

KEOMA ORGANIZE STRONG BASEBALL TEAM

At a well attended meeting held in Keoma school house on March 22nd, it was decided to form a baseball club, which will be known in the future as the K.K.K. (Kathryn Keoma Baseball Club). The meeting was called to order by Mr. A. Ruenmiller, and he expressed his opinion in saying that for the last few years Keoma players played for different neighboring towns, and brought pennants and laurels for them, and with the quality of men in the team as Lefty Brown, McKay Bros., R. Williams, and many more our team would be a dangerous rival, even to the present championship holders of Alberta.

The following officers were elected:

Chairman, H. Lottsgarden; Sec.-Treas., R. Ruenmiller; Manager, T. Bull. Arrangements are under way to form a league, also to take care of the financial end.

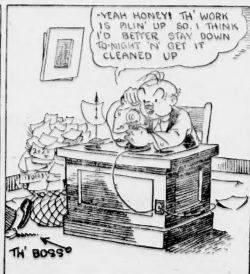

The Keoma team is waiting anxiously to see the ground dry up so that they will be able to practice. Just watch their smoke! We would not be the least bit surprised if our Keoma K.K.K. would be, by fall, as much feared in Amateur Baseball in Alberta as the K.K.K. in politics in some parts across the line.

A very interesting lecture was given by the Rev. John Gordon in the school house on Wednesday night. The subject chosen was "From the Cradle to the Cross," and was wonderfully illustrated with incidents in the life of the man who read the good book were thrown great storm. Scenes, familiar to all on the screen, and in language that everyone understood, the speaker told of the everlasting love of Jesus Christ.

Everybody enjoys the lectures given by Mr. Gordon, and if you have not been present at any of them, you are passing over something worth while.

Mr. Frank Logan has returned from Colorado, where he has been spending the winter months. Frank is very much improved in health and we sincerely trust that his progress in the right direction will be continuous.

His worshipful neighbor, was the victim of a real surprise party on Saturday, the 22nd. Despite the heavy snowfall, nearly everyone in the district turned out for the occasion, and a very enjoyable evening was spent with what, music, and dancing. "I ain't got to Rain Me No" was the chief topic of the conversation, but the resourceful J. J. promptly relieved the dry spell with coffee, as only he can percolate. At 12 p.m. the visitors left for home, waving one more that Mickey was the prince of entertainers.

Billy McMillan and Charlie County spent a day in Bolivia last week, viewing the big trees and lemon groves of this far-off country, where the milk and honey is flowing down the mountain sides. When you go for keeps, fellows, leave one acre for us.

The man who boasts that he is boss in his home not only exaggerates his own importance, but is a prevaricator as well.

"Patience is the key of joy, but haste is the key to sorrow.—Ar. Proverb.

If the following story is true, is life still worth living? Why should we take everybody's abuse and still smile? Why should we give all our wealth to the leathens when our future is obscured in darkness? Leave it to you Solomon. A Scot who went to heaven arrived in time to partake of a very time supper. Before going to bed he went to St. Peter and ventured to inquire if he could have outdoor for breakfast. Peter got very indignant and said, "Go and shovel coal down."

I ain't goin' to make porridge for me Scotman.

Mrs. A. Van Camp and Mrs. T. Longbottom attended the U.F.W.A. meeting at Tudor, as delegates from the Baintree Lodge. The Baintree ladies received a kindly welcome, and enjoyed the splendid meeting at the home of Mrs. Carl Brown.

Bill Telus has a boy who would rather milk the cows than play hockey with his companions. Send him to us Bill, and we'll put him in our new circus with a young lady friend of ours, who believes it is a deadly sin to trot.

An English youth, who is now residing in our midst, called at our estate the other day to find out if he could buy a horse. Seeing a little bull Durham we slipped into the yard where the old white team and the girl were searching the ash pile for vitamins and G. "Buck's got to be there," he said. "I'd take that outfit right there, uncle." We explained to him that when we saw a year older we intended to start a circus, and show an admiring world the father and mother of all horses. His reply was very prompt, "Keep your team of elephants, old pup, and position as a dog, he said, "I want to buy that calf with the horns." We sold her on the spot for twenty, and a broken bottle. One hour later Billy returned home with a pair of aviators just the right size for the youngest member of our family. Yes sir, we saw him when he was comin' and goin'. The coat reached him when he had slackened his pace.

"Who steals my purse steals trash," When Mr. Shakespeare composed those immortal words did he realize how truthfully, how accurately, and how very sadly he was forecasting the financial resources of another budding genius? Yes, that's us.

Sure, we read that story of Mr. Carpenter's, about the Scotch, the Irish, and the monkeys. While we were enjoying it we instantly recognized that the man from Iricana wasn't living in an Irish community, or married a lady from the greenisle. It even broke out with one like it around Baintree, the chaplain of the U.F.W.A. will tell over our mangled body, the inspiring story of our useless life.

One of the most successful meetings of the U.F.W.A. was held at the residence of Mrs. F. J. Lyons on Thursday. Fifteen members were present when the president, Mrs. Trost opened the meeting. Mrs. Mary Haddow, of Millfield, and Mrs. Wm. McMillan, of Tudor, attended as the guests of the organization. Mrs. County and Mrs. F. E. Wymen read interesting papers on current events. Mrs. A. Van Camp contributed a nice article on marketing, while Mrs. Crough gave a very time talk on "Social Service" in Toronto. Mrs. McMillan delighted the meeting with a fine old Scotch song. Mrs. F. J. Lyons and Mrs. Billy Bell, who were the joint hostesses for the afternoon, provided a dainty lunch, which everyone enjoyed immensely.

The Price of Beer

Hotelkeepers and brewers are claiming that they cannot sell beer for less than 15c per glass, or two for 25c.

Ifc beer had more to do with the closing of the bars in 1915 than any other argument employed. Those who voted in favor of Moderation last November did not do so with a view of giving brewers and hotelkeepers a license to make any money at the expense of the public.

Insistence should be made by the public on a ten cent glass of beer, and also on a guarantee of the purity of the beer sold.

The great majority of the people of the province are neither heavy drinkers nor prohibitionists. Rather they pay fifteen cents they will go without beer.

The price the brewers and hotelkeepers want to force will defeat the object the voters had in view last November of promoting temperance by making liquor of low alcoholic content available at reasonable prices. The attempt to enforce prohibition by high prices is impracticable, but if beer is to be sold at a high price, the demand for stronger liquors will not be decreased, and the wish of the people made abortive.

There was a good deal in the argument of our member, Mr. J. C. Buckley, that the Government should not attempt to make profit on the sale of beer and spirits. The biggest argument the hotelmen have to offer to justify the price they wish to impose is that they will have to pay heavy taxes.

The new Act will come into force very shortly, and it is the duty of the public, and especially those who voted for moderation, to support the enforcement of the law. The Act seems very fair, and if properly enforced and prices regulated will be a benefit to the province.

England's Glory

"If there is one glorious thing in England which most never die, it is a breaking of bacon and eggs."—Mr. C. C. Chesterton.

I have relished the rolls in Vienna, I have played with the porridge in Perth, I have drunk an fry in Quebec, but never (for breakfast) on earth; The Pioneers are grateful. They eat the coffee in dress. But you have to come home for a plateful.

OF BACON and EGGS.

There are some who find heaven in honey. While others are joyful with jam. In Paris they try you with tunny. In Chicago they help you to ham. Some persist in abusing the liver. By breakfasting largely on "pigs". And these would undoubtedly share.

AT BACON and EGGS.

It is whispered that epicures favour A kidney or even a sole. While to others the sausage's flavor Is an exquisite ultimate goal. But the browner and browner Briton For manlier nourishment begs, And the Tale of the Empire was written.

ON BACON and EGGS.

Then here's to the earliest blender Of the fruit of the hog and the hen; May the former be streaky and tender And the latter be cooked from the pen! For the glorious fact that enables Old England to stand on her legs Is that also out of ten breakfast-tables— Show BACON and EGGS.

Irricana News

Mrs. Ewen McCauley, a former resident of Irricana was the guest of Mr. and Mrs. J. W. McCulloch on Tuesday last.

Mrs. T. O. Thompson left on Tuesday's train to join Mr. Thompson at Los Angeles.

Councillor August E. Bates accompanied by Mr. Arthur Gregory, and Jack Elliott attended the stock show in Calgary last week.

Mr. and Mrs. Houston Wray were visitors to Calgary during the week.

Peter Peterson, one of the oldest timers in the district, and who recently by his own hand, was at one time a resident of the much talked-of Dakota, South America, the country where a handful of non-existent C.P.R. track holders are wont to spread propaganda about this foreign land of milk and honey. Mr. Peterson states that good Canadians who remove their fertile lands in Western Canada to seek their fortune in the South American Republic were "led" into their blunder by a mass of potage.

A special meeting of the council sat Monday evening to discuss a suit for damages pending against the news in which the C.P.R. are co-defendants. The council instructed to obtain legal advice on the matter, and Mr. A. L. Smith, K.C., of Calgary has been retained to act on behalf of the news' interest.

Gregory Bros., well known general stockholders of Irricana, were successful in purchasing the Reserve Champion Bull Angus bull at the Calgary stock show, after a keen and spirited bidding. The beautiful bull will lead the herd at the Verma Ranch, east of town.

Miss Flora Lamb, of Acme, was a visitor to Irricana on Saturday.

An achievement which spelled phenomenal success was accomplished by the residents of the Kersey district on Friday evening last, when some twenty-five couples assembled to thoroughly enjoy an outing. The event was in aid of funds towards a piano recently purchased and installed in the school house for the benefit of the Kersey community. Mr. J. C. (Chesterton), one of the pioneers of the district kindly contributed a beautiful bay sheldahl pony. Each attendant at the happy function purchased a ticket, and the winning number fell to Mr. W. Drake, who was very much enthused over his good fortune.

A hearty vote of thanks was proposed by the chairman, Mr. A. J. Hefford, on behalf of Mr. Oswald, and Mr. Geo. Huser, who were instrumental in the conclusion of one of the most enjoyable evenings spent at Kersey in a long time. Dr. Margaret Wilson officiated at the piano, as also Mrs. Hay. Mr. Tom Jowett delighted the luncheon gathering by rendering several well-selected Scotch pieces on the sweet-toned contrabass. The handsome sum of \$135.00 was contributed towards the piano fund.

Mr. H. Miller was a business visitor to Calgary during the week and attended the bull sale.

Report of the successful Church of England social at Irricana undoubtedly held over, but will be published in next issue.

A Scotchman and a Jew were much beavered over the loss of a pal who always bought them a drink and financed their way to an occasional picture show. After the congenial pal passed over the Great Divide the Jew and his Scotch friend decided, instead of placing a wreath on the bier, to drop a ten dollar bill in the grave of their deceased friend. Forthwith the Scotchman came along and reverently dropped a ten spot in the grave. A little later they step along mournfully with his chin on his chest, extracted the ten bucks, but cheerfully left his check for twenty dollars.

WHY "LIZZIE'S" ROOF WAS PUNCTURED

Our photographer happened to amble into Hollywood, Calif., and look whom he encountered. An 18 year old youngster—Jack Earl by name—who lacks just a few inches of being 5 feet tall, and still growing "by the hour," so to speak. And—oh, boy—won't it be some man when he grows up? Of course, our photographer couldn't resist the temptation to train his camera on the youngster. So he asked young Jack to cut himself in a new-fangled flivver. Jack got in all right but before the photographer had his camera set, there was a loud rattle. "Oh, that was nothing. I merely straightened up in the seat as you could get a good picture," smiled, spoke the young giant to the startled camera man.

From the contented grin on young Earl's face, "Lizzie's" punctured top doesn't mean anything in his young life. The flivver probably didn't belong to him.

A NEW HOSPITAL DISTRICT

The first municipal hospital district to be organized for the new year is that of Innisfail, an order for the organization of which was issued this week. It is expected that at least five new hospital districts will be organized this year.

Nightingale Players Visit Strathmore

Probably owing to the cold and windy weather, only a fair house greeted the appearance of the Nightingale Dramatic Society at the Memorial Hall, Strathmore, on Friday evening, but as a result of their efforts, the funds of the Memorial Hall and of the Nightingale Community Hall benefited to an appreciable extent, the net takings being over \$40. The company were handicapped, two of their members who had played at Nightingale and Rockyford being unable to be present on account of sickness, but the substitutes performed very creditably on the short notice given them.

A review of the play was given in our issue of March 13th, following their initial appearance at Nightingale Hall, so it will not be necessary to make a detailed review. Suffice to say, that once the company got used to the pitch required to speak in the large hall, they gave a very creditable performance, and the audience enjoyed the play throughout. The work of Mrs. Anderson, and Messrs Connor and Malcolm, on whom the heaviest part of the acting devolved, was excellent, and the other characters performed their parts well, a slight hesitancy in taking up the cues being occasionally noted. It is considered the underwriters were thrust into the breach on very short notice.

Those taking part in the performance were: Deacon Penrose, W. Malcolm; Mrs. Penrose, Mrs. Anderson; Miss Penrose, Miss V. Lonsbury; Dr. Soper, Walter Channell; George Soper, Mrs. Connor; Calvin Spangler, Lyle Connor; Kitty O'Rourke, Miss Lillian Lonsbury; Rafferty, Leon Connor; Harry Baxter, H. G. Laycock.

Members of the Nightingale Dramatic Society are to be congratulated on their enterprise, and on the showing they made, and we trust they will keep up the good work, and that we will see them again in Strathmore. For the last year or so our Strathmore talent has apparently found itself unwilling or unable to take up the dramatic art, and we are indebted to Nightingale for keeping the vital spark alive in the district.

It is tentatively being intended to hold a dance after the show, but this was abandoned. However, the visitors were very hospitably entertained by Mr. and Mrs. Hirtle at their home till an early hour in the morning, and were heartily thanked by the visitors.

Namaka Notes

Mr. and Mrs. C. S. White returned home on Sunday, having spent the winter in Michigan and Ohio, U.S.A.

Miss Evelyn Carr left for her home in Saskatchewan on Sunday.

At the Wednesday weekly meeting of the Sunday School here was reorganized. Mr. John McLean was appointed superintendent. Mr. H. E. Thomson, Bible Class leader, and Mr. Rowe is taking the Beaver Boys. The latter lodge was only organized during the past week, and the boys are quite enthusiastic.

NAMAKA SABBATH SCHOOL MEETING

The reorganization meeting of the Namaka Union Sunday School was held in the I.O.O.F. Hall, Namaka, on Wednesday evening, 26th inst. The meeting was most happy and enthusiastic. After being called to order by the pastor, the congregation chose Mr. Thorsen as chairman, and he conducted the discussion and business in his usual capable style. The officers for the coming year were elected as follows:

Superintendent, Mr. Jack McLean; Assistant Supt., Mr. J. Wheeler; Bible Class teacher, Mr. H. E. Thomson; Intermediate Girls, Miss Sim; "Trail Ahead" Boys, Mr. Rowe; Primary Dept., Mrs. Aikema; Secretary-Treasurer, Miss Frances Thorsen; Assistant S. T., Donald Watts; Pianist, Mrs. McLean; Assistant Pianist, Mr. Aikema.

Reports showed a balance in the treasury, fifty on the roll, and a growing attendance.

A hearty vote of thanks was tendered the chairman for the evening. Mr. Thorsen.

Everyone present enjoyed a most delightful lunch served afterwards by the ladies.

The meeting closed after singing "Onward Christian Soldiers."

This charm you can keep

Youthful radiance of complexion! Millions of women have learned this simple way

The fresh softness, the radiance of youthful skin need not be lost as the years accumulate. Clever women guard this charm—keep it—today.

This simple method does that for millions of women. Now you may use it—and keep that school-girl complexion.

You need only do this

Cleanse the skin regularly, authorities say, to keep your complexion lovely, radiant, youthful.

But beware of harsh cleansing methods. They injure skin. Wash thoroughly with Palmolive Soap—each night before retiring. Rub the creamy, foamy lather well into the tiny pores. Rinse—and repeat the washing. Then rinse again.

Then—if skin is dry—apply a little cold cream. That is all. Skin so cared for is not injured by cosmetics, by wind and sun, or by dirt.

Why Ford Predominates

Many Reasons From Many Users

If you were to ask the next fifty Ford owners you meet why they prefer Fords, you would get a wide variety of answers.

Some would say, "Because they seem never to wear out," others would answer, "Because they cost so little." Many would reply "Because I can get service anywhere," and just as many, "Because it is the only car I can afford to own."

All would tell you, "Because they

master a bad road in any weather," a woman driver would respond, "Because I can drive it so easily." From the fleet-owners you would hear, "Because I can buy two or three or four Ford Trucks for the price of one big truck."

Wherever you might inquire you would hear expressed these basic reasons why Ford predominates—why, year after year, Ford sales equal the total sales of all other cars combined.

Rosebud Notes

A very interesting sermon was given in the Rosebud United Church on Sunday evening by the Rev. Mr. Brown who is visiting here from Nova Scotia. Mr. Brown will conduct several evangelistic meetings in the church this week.

The Ladies Aid of Rosebud United Church held their regular meeting at the Church on Saturday afternoon last. There was a good attendance and considerable business was attended to. Lunch was served and the ladies had a very interesting afternoon. A debate and chicken pie supper has been planned for the evening of April 16th.

One of the finest entertainments which has ever been held in this district was the play put on by the All Star Dramatic Club, under the direction of Mr. D. P. McGowan, entitled "A Poor Married Man." This play was held in the C X school house on March 25th, and again in the Redford Hall on March 26th. The latter entertainment proved the greater success on account of the splendid facilities of the big hall, and the seating capacity was taxed to the limit. Those taking part in the cast did exceptionally well, and Mr. McGowan deserves great credit for the success of his undertaking. Mrs. James Grant, as the mother-in-law in the play, was unanimously voted the star performer, with Mr. Alf. Iredale, as the Professor, running her a close second. It is to be hoped that this will not be the last production of this Club. Between acts Mr. McGowan gave a well selected reading which was very much enjoyed. After the play a dance was held, and everyone voted the evening a complete success.

The dance held in the Rosebud school house on Friday evening last was well attended and everyone had a good time. The music was provided locally and was splendid. The sum of thirty-five dollars was cleared, which will be used to provide tennis and basketball outfits for the pupils.

Mr. Herb Crough, of Husar, spent the week-end with Mr. and Mrs. W. V. Kempf.

Mr. and Mrs. Deane, and Mr. and Mrs. Barlow, and families were guests at the Kempf home on Sunday last.

Dalemead News

Mr. R. Baldwin left for Ontario last week, where he was called on account of the illness of his father.

Mr. and Mrs. Wm. Storm and family are leaving for Calgary, where they will make their future home. Their many friends regret to see them go, and wish them well in their new home.

A number of farmers shipped a carload of hogs to Calgary Tuesday.

Mr. and Mrs. P. Pederson, Mr. P. Dalton, and Mrs. M. Vander Velde were among the Calgary callers this week.

The U.F.A. held their meeting at the hall Friday, besides different topics which were discussed, Mr. C. Winstrom, road supervisor, gave a talk on roads.

Mrs. Henry Dickson returned from the hospital Sunday, where she has been for the past week, suffering from inflammatory rheumatism. Mr. Dickson sold his store and house to a party at Husar, and will leave for the foothills for the present. Their many friends regret to see them leave.

Couldn't Digest A Thing

Regina Man Takes Drego and Gets Quick Relief, Has Splendid Appetite, Sleeps Soundly, and Feels better in Every Way.
"My stomach and kidneys caused me all sorts of trouble during the past three or four years," says Mr. Solah-lou Krause, of 1322 Victoria Avenue, Regina, Sask. "My food refused to digest. It would lie in my stomach like a lump of lead, and I had no appetite, was subject to bilious attacks and couldn't sleep. My digestive system became run down as a result of under nourishment. I was always tired and worn out, and had no energy for my work. In addition, I had severe headaches from my kidneys."
"I only started taking Drego two weeks ago. Now I have a splendid appetite and can eat anything and digest it perfectly. I sleep like a log all night and awake in the morning better than for years. My kidneys are in fine shape too."

Drego gives your system the very help it needs. It cleanses the digestive organs and stimulates them to healthy activity. It drives impurities from the blood stream, arouses the liver and relieves constipation. It is made from herbs, roots, bark and leaves, and contains no mercury, poison, or habit forming ingredients. Drego is being specially induced in Strathmore by the Strathmore Pharmacy, and is sold by a good druggist everywhere.

CARSLAND NOTES

(Continued from front page)
The villain's part was so well played that a feeling of sympathy and a desire to help swept over the audience in the last act. The crowd was big and the auctioneer played their parts exceptionally well. The crowd was with Anne in his countryship of Hoot-right from the start and the integrity of the major was equalled only by the heartedness of the Deacon, from "Borgum Centre, State of West Virginia." To leave out Triste would have been disastrous to the whole play. From the many mischievous things she did, it is hard to say the little Swede girl to see her life and energy. The whole play was so well received that those taking part in it should feel themselves well repaid.
